The University has come up with policies aimed at safeguarding the intellectual property and any submitted works i.e. the Digital Repository Policy and Anti-Plagiarism Policy. It is therefore mandatory for all students upon successful completion of studies and seeking for clearance should hand in both soft and hard copies of their submitted works for digital and physical storage.

The GS is working hand in hand with the main University Library to enable for uploading and storage of all theses and research projects by postgraduate students.

To view submitted theses and research projects, click [here](#) [8].
