

GRADUATE TRACKING SYSTEM

Introduction

- Graduate school is responsible for the admission of postgraduate students, the proper conduct and supervision of post graduate programmes, administration and processing of postgraduate thesis, projects or research papers and general welfare and discipline of postgraduate students among other functions
- The graduate school coordinates with relevant faculty/school/institute/centre and department's to track progress for every student

Role of students

- ❑ Submit proposals, progress reports , etc. to their assigned supervisors
- ❑ Act of feedback from their supervisors
- ❑ Follow-up on the status of the submitted work

Student Actions

- Students upload their proposals on the students portal-Go to Academic Tracking: smis.uonbi.ac.ke

- Select Students Actions

Students Dashboard

Postgraduate Tracking System

You can submit your thesis proposals, progress reports and many more, just click on the relevant item

Submit Proposal

Submit Progress Reports

Submit Corrected Thesis

Examination Intent

Submit Thesis For Examination

View Assigned Supervisors

- ✓ Click **Submit Proposal** to upload your final defended and approved proposal.
- ✓ You can upload other documents the same eg. Progress Reports, Corrected Thesis, Examinations Intent and Thesis for Examination

Submit a Proposal

Postgraduate Tracking System

Document Title

Upload proposal document *

Upload a file only (**ppt,pptx,pdf,doc,docx,rtf,odt,**) are allowed

Forward Submission

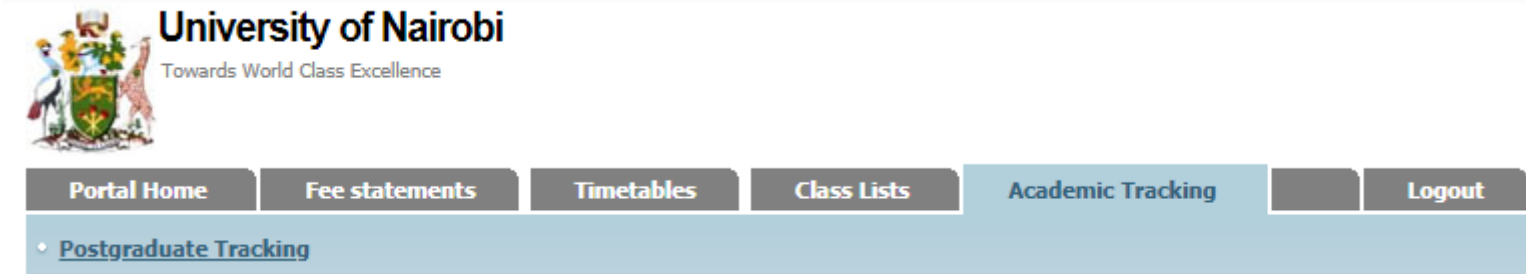

Note: Proposal must be signed by supervisors with Anti plagiarism report and declaration form

Role of supervisors

- Approve submission by students
- Forward students submissions to the faculty
- Relay the communication from the faculty and graduate school back to student
- View the progress of the student

Supervisors Portal

- Supervisors access the Graduate system using the staff portal i.e smis.uonbi.ac.ke/staff

Click – Postgraduate Tracking – Then Supervisor Actions

Role of Schools/Faculty

- Assign students to supervisors
- Monitor students progress
- Provide examination date and venue for students examination
- Approve submissions by supervisors
- Act on request from the graduate school
- Approve external supervisors/examiners
- Setting of timelines and order of tracking events

Faculty/Departmental Approvals

- Chairman approves student submissions on the smis system <http://umis.uonbi.ac.ke/smis>
- Only supervisor approved submissions are visible for approvals by chairmen's of departments
- Chairman must be users in SMIS and be granted the prerequisite roles/rights to approve students submissions
- SMIS Rights are requested through Director ICTC in form of a memo.
- **Note:** To view approved student submissions the chairman profile in HRMIS must reflect their correct Department/Faculty

Chairman Approvals

- Go to <http://umis.uonbi.ac.ke/smis>
- Click [Board of PostGraduate Studies Subsystem](#)
- On the right window click [Postgraduate Tracking System New](#)
- Go to School/Faculty Actions

Board of PostGraduate Studies Subsystem
Postgraduate Tracking System NEW

The screenshot shows the interface of the Postgraduate Tracking System. At the top, there is a blue header with the text "Postgraduate Tracking System" on the left, "Welcome BENARD MUTISYA CAVS" in the center, and "Logout" on the right. Below the header is a grid of six action buttons:

- Return to Student Portal**: An orange button with a person icon.
- Student Actions**: A black button with a person icon.
- Return to Staff Portal**: A blue button with a person icon.
- Supervisor Actions**: A green button with a person icon.
- School/Faculty Actions**: A green button with a building icon.
- Graduate School Actions**: A blue button with a building icon.

At the bottom of the dashboard is a red button labeled **Tracking Setup** with a document icon.

Chairman Approvals - Cont...

- Only students submissions approved by supervisors will appear
- Click **Faculty Approvals**

Faculty Actions

Click below Submissions to view approved documents
